### Suggested Social Media Content

What is communicated when an outsider portrays someone from another culture? Come see “Native Portraiture: Power and Perception” at **Tacoma Art Museum** starting February 10, 2018. Learn more at [bit.ly/TAMnativeportraiture](http://bit.ly/TAMnativeportraiture)

Many portraits of Indigenous people by non-Native artists romanticize, stereotype, or **appropriate** Native people and cultures. **Tacoma Art Museum**'s newest exhibition “Native Portraiture: Power and Perception” gives voice to Native people and communities to show their resiliency and power over the ways in which they are portrayed and perceived. On view starting February 10, 2018. More info at [bit.ly/TAMnativeportraiture](http://bit.ly/TAMnativeportraiture)
