

Summer Art Camps July 2017

For students entering grades 2-8

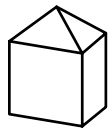

TACOMA
ART
MUSEUM

Explore art in your community at Tacoma Art Museum's Summer Art Camps! Each week, find inspiration in works of art at the museum, investigate how artists are inspired by the world around them, and go on expeditions around town to experience art in unexpected places. Take creative risks with big ideas and new materials. Create works of art to share with family and friends at a special art show at the end of each week.

Elementary and Middle School Camps explore the same themes with activities designed especially for the age of the campers!

Monday-Friday, 9 am-5 pm, \$295 (\$265 member)

Spaces and Places, July 10-14

Learn how architects, artists, and designers think about the spaces and places in which we all live, work, and play.

Experts from local Tacoma architecture and design firms will lead the way. Design and construct your own models inspired by TAM's architecture and the buildings in downtown Tacoma. Then collaborate to create a cool, new art city!

Spaces and Places camps are facilitated in partnership with the American Institute of Architects Southwest Washington.

Art and Nature, July 17-21

Explore art in TAM's galleries and around town. Adventure into the outdoors to discover the relationship between art and the natural world. Use natural materials to create land art, make prints powered by the sun, and work as a team to sculpt a larger-than-life forest.

Glorious Glass, July 24-28

Explore the transformative properties of glass! Find inspiration from TAM's world-class studio art glass collections including works by Dale Chihuly, Paul Marioni, Cappy Thompson, and many other Pacific Northwest glass artists. Paint, fuse, slump, and even blow glass to create one-of-a-kind works of art.

Before and After Care: 8-9 am and 5-6 pm

Extend your child's art engagement beyond camp hours with TAM's before and after care. Campers will make even more art during open studio time and play games with their new camp friends, guided and supervised by TAM Camp staff.

Cost: \$35 per week for before or after care;
\$50 per week for both before and after care.
